

# Are You Looking for a Rewarding Way to Give Back to Your Community?

Please consider volunteering as a **Driver** or **Scheduler** (“Dispatcher”) for the Pleasant Hill Senior Van Service.

## DRIVERS:

- Only 1 morning or afternoon shift each week (9am-noon or 1-4pm)
- No special license required
- Pick up/drop off just 1 senior passenger per ride at local appointments and to run errands
- Easy training with a volunteer driver (GPS device provided)

## SCHEDULERS:

- Only 1 morning shift per week (9 am to 11 am)
- Retrieve voicemail messages and answer live calls from passengers to schedule ride reservations for the next day
- Easy training with an experienced dispatcher

**If you can't commit to one shift per week, substitute drivers and schedulers are always needed!**
