We, the undersigned, are strongly against the opening of a childcare center on the corner of Boyd and Kahrs Avenue. We live within 300 feet of the proposed center and are filing a statement of objection based on a number of reasons including : dangerous traffic situation so close to the elementary school on two very busy streets that will endanger the safety of the children, a major change in the use of the property to a business that runs for 11 hours a day, 5 days a week instead of a church, the inability to enjoy our peaceful, quiet neighborhood the way we envisioned when we bought our homes, the lower value of our homes as a result of the change and other reasons which we will bring forward.
