Public hearing to consider proposed ordinance amendments pertaining to emergency shelter uses (the following Zoning Ordinance Chapters would be affected: Chapter 18.15, 18.20, 18.25, 18.55). Emergency shelters are defined by State law (Health & Safety Code Section 50816) as: "housing with minimal supportive services for homeless persons that is limited to occupancy of six months or less by a homeless person...." The proposed ordinance amendment is to comply with State law (Section 65583 of the Government Code – SB2)

that requires all jurisdictions to identify at least one zoning district where *emergency shelters* may be established by-right, subject to specific development standards. The amendment would also implement Housing Element Program 4.4 which requires the City to implement land use regulations for *emergency shelters* in compliance with State law. The proposed amendment would: a) designate *emergency shelters* as a use permitted by-right within the *LI-Limited Industrial* zoning district (note: *emergency shelters* are currently a conditionally allowed use within the *LI-Limited Industrial* zoning district); b) establish appropriate findings and development standards related to *emergency shelter* uses to ensure community compatibility; and c) incorporate various related amendments into corresponding sections of the Zoning Ordinance.

CEQA Determination: Exempt, Section 15061(b).3. The proposed activity is exempt from environmental review as there is no possibility for causing significant effects on the environment.
